Even if it doesn't *quite* feel like it outside, it's springtime in New York — and that means it's time for the city's bars and restaurants to update their menus. Bartenders are starting to use ingredients like rhubarb syrup, fresh berries, and celery juice, and conceive new riffs on mimosas, gimlets, and Pimm's cups. Remember: Just because it's not yet warm enough to wear shorts, it doesn't mean that you can't get a head start on seasonal drinking. Here are 21 excellent new drinks at some of Grub's favorite spots around town.

Floradora on Holiday
